

TO WHOM IT MAY CONCERN

This letter is my personal recommendation for Joey Vallejo. I was Joey's supervisor at Structural Soft. I found him to be consistently pleasant, always with a positive attitude, tackling all assignments with dedication and a smile.

Besides being a joy to work with, Joey is a take-charge person who is able to present creative ideas and communicate the benefits. In addition to his day to day graphic design and webmaster duties, he helped develop several marketing campaigns for our company that have resulted in increased revenue.

Though he was a great help to our creative design efforts, Joey also differentiated himself in marketing communications function of the company. I highly recommend Joey for employment. He is a team player and would make a great asset to any organization.

Sincerely,
